SUMMARY

Java Backend Developer Fresher with hands-on experience as an Backend Developer Intern at Bharti Airtel. Skilled in developing scalable RESTful APIs using Spring Boot, Spring MVC, and Spring Security. Strong foundation in Core Java, OOP, Multithreading, JDBC, and Microservices Architecture. Experienced in MySQL optimization with JPA/Hibernate and implementing secure authentication using JWT and RBAC. Seeking an entry-level role to build efficient and scalable backend systems.

TECHNICAL SKILLS

Programming: Java, Advanced Java

Backend: Spring Framework, Spring Boot, Spring MVC, Spring Security, REST APIs, Microservices

Frontend: HTML5, CSS3, Tailwind CSS, JavaScript, React.js

Database: MySQL

ORM / Persistence: Spring Data JPA, Hibernate

Tools: Maven, Git, GitHub, Postman, Docker

EXPERIENCE

Backend Developer Intern

March 2026 – April 2026

Bharti Airtel

- Developed automation solutions to improve reporting efficiency and reduce manual effort
- Automated report generation and integrated Microsoft Access data extraction
- Built data processing workflows for cleaning and transforming datasets
- Implemented real-time alerts using Telegram Bot API and email automation.

PROJECTS

Automated Data Reporting with Email and Telegram Bot Integration (Airtel Internship)

Mar 2026

- Automated the “Save-and-Send” cycle of live Excel reports using Microsoft Office integration.
- Built notification system using Telegram Bot and email for real-time updates
- Integrated Outlook to auto-generate emails with attachments and dynamically populate TO/CC fields.
- Enabled instant email delivery by triggering Outlook Send/Receive synchronization programmatically.

Electronic Store Backend Web App | Spring Boot, Spring Data JPA

Jan 2025

- Developed a backend system for an electronic store to manage products, categories, and orders using Spring Boot and MySQL.
- Built secure RESTful APIs with JWT authentication, role-based access control, and implemented pagination, sorting, and filtering.

Annual Report Portal for Institute | Spring Boot, Spring Data JPA, React

Dec 2024

- Developed a full-stack Annual Report Portal using Spring Boot, React, and MySQL.
- Built secure REST APIs with role-based access control for report submission, approval workflows, and document management.
- Designed responsive dashboards for faculty and admin with secure session handling.

EDUCATION

SISTec – Sagar Institute of Science and Technology

2023 – 2026

Bachelor of Technology in Computer Science and Engineering (CGPA: 7.39)

Gandhi Nagar, Madhya Pradesh

SMD College Punpun, Patna

2019 – 2022

B.Sc - Bachelor of Science

Punpun , Patna

BD College, Patna

2019

Senior Secondary (12th)

Patna, Bihar

CERTIFICATIONS

- Mastering Spring Boot With Real Time App - Learn Code With Durgesh 
- Backend Developer Internship - Bharti Airtel (March 2026) 
- Java - Udemy
